SEZ status for three industrial estates

By Our Staff Reporter

LAHORE: A meeting of the Special Economic Zone Authority held here on Sunday approved the proposal for giving a special economic zones (SEZ) status to three industrial estates of Punjab.

The industrial estates that will get the SEZ status are: Quaid-i-Azam Apparel Park, M-3 Industrial City and Value-Addition City.

Chief Minister Shahbaz Sharif, who presided over the meeting, hoped that industrial activities and investment would increase in the province with the setting up of SEZs, where facilities would be provided to industrialists and investors on priority basis.

He said promotion of industrial activities and investment would result in generation of new job opportunities.

He said the Punjab Investment Board, whose chief executive officer (CEO) earlier briefed the meeting, should work more actively for promoting industrial activities and investment in the province.
